

# FLAX COUNCIL OF CANADA

## Message to Producers

### Approved labs for CDC Triffid testing

4th January 2010  
(revised 4 February 2010)

The following labs have been approved to test flax samples for the presence of CDC Triffid. Each of these labs has successfully completed the proficiency testing conducted by the Canadian Grain Commission.

**IMPORTANT- PLEASE NOTE that some flax buyers will only be accepting test results from certain labs.**

The following companies will only accept results from labs as listed below. This list may be modified. Please check this website ([www.flaxcouncil.ca](http://www.flaxcouncil.ca)) regularly for updates.
